

SUNDECKS | ROOF DECKS | BALCONIES | PATIOS | STAIRS | POOL DECKS | WALKWAYS

Contemporary design for beautiful outdoor living spaces.

Achieve high style without compromising safety with this customized railing solution. Non-traditional style for an upscale, modern look to distinguish any space.

A customized railing solution combining design and functionality

- **Virtually maintenance free:** Durable aluminum that will not peel, flake or blister as it ages - no need for sanding, staining or painting.
- **Environmentally friendly:** Powder coated finish with no VOC's. Satisfies Green Building requirements.
- **Design friendly:** Distinguish outdoor living space with non-traditional style for an upscale, modern look.
- **Versatile application:** Quick and simple installation and versatile use for exterior or interior applications for residential, multi-residential or commercial projects.
- **Color options:** 12 standard colors and over 180 custom colors available.
- **Made to last:** 20 year structural warranty and 5 year limited powder coating residential warranty.

Contemporary design for outdoor living space with character and class

There are plenty of design options with our customized horizontal bar system. Create a modern, seamless look with the floating corner option or opt for a more traditional look with the posted corners.

- **Corner Style:** Posted or floating corner options.
- **Mounting Style:** Traditional surface mount or fascia mount for the best match to your decking system or local code requirements.
