PUP Post Privacy Screen Kit for Convenient Exterior Design

Our Privacy Screen Kit is a convenient 6ft span of privacy protection without the need for ongoing maintenance that can complement any outdoor living space.

PUP Post Privacy Kit for beautiful private outdoor spaces and ordering simplicity

- **Premium Finish:** Enjoy the look of real wood with the durability and the advantages of aluminum with Knotwood™ aluminum slats, or choose from 12 standard solid colors.
- **Powder Coated with no VOC's:** Durable, beautiful powder coated finish.
- **Low maintenance:** No sanding or staining will EVER be required on these beautiful spaces.
- **Easy installation:** Simple and clean installation with concealed fasteners to hide screws.
- **Made to last:** 20 year structural warranty and 10 year limited solid color powder coating warranty, and 15 year wood grain powder coating warranty.
- **Ordering simplicity:** No need to list out individual parts - our kit comes complete.
