A sophisticated top rail that has the muscle for plenty of support.

A low-maintenance, durable top rail with a brawnier look than the average aluminum top rail. Port Royal's performance is as strong as its style.

Low maintenance aluminum railing with a classic look

- **Seamless style:** Continuous, substantial top rail look while using up to a 3" square post.
- **Virtually maintenance free:** Made with durable weather resistant aluminum. No rust or corrosion.
- **Environmentally friendly:** Powder coated finish with no VOC's. Satisfies Green Building requirements.
- **Versatile application:** Ideal for residential, multi-residential or commercial use.
- **Color options:** 12 standard colors and over 180 custom colors available.
- **Style options:** Suitable for both picket and glass systems allowing you to combine systems yet still provide a consistent look throughout.
- **Made to last:** 20 year structural warranty and 10 year limited powder coating residential warranty.

Port Royal

Sturdy in size like traditional 2x4 wood top rails, but without the risk of rot.

The Port Royal Top Rail provides endless design possibilities with a consistent look throughout.
