

PORT ROYAL 2 OUTSIDE-THE-POST SYSTEM

SUNDECKS | ROOF DECKS | BALCONIES | PATIOS | STAIRS | POOL DECKS | WALKWAYS

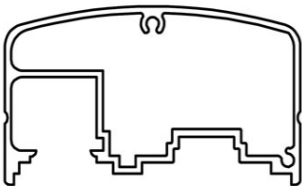

Outside the post railing system with the luxurious look of continuous glass.

The Port Royal 2 Top Rail combines long-lasting performance with the upscale look of continuous glass. Designed with a finish that covers the fascia, offering seamlessly modern sophistication.

Low maintenance aluminum railing with a classic look.

- **Virtually maintenance free:** No rust or corrosion.
- **Glass options:** Clear tempered glass or frosted privacy glass.
- **Sleek finishing details:** Mounts to cover fascia for a continuous glass look.
- **Environmentally friendly:** Powder coated finish with no VOC's.
- **Made to last:** 20 year structural warranty and 5 year limited powder coating residential warranty
- **Dimensions:** 3-1/2" wide | 2" high
- **Design:** More substantial look than the average aluminum top rail that can be used with up to a 3" post.

Now you can have a Continuous Top Rail look while using up to a 3" square post!

With a much wider, beefier look than the average aluminum top rail profile, the **Port Royal 2 Top Rail** is similar in appearance to what you've come to recognize as 2 x 4 (wood) size; but this top rail is not vulnerable to the elements the same way as wood.
