DURADEK INSTALLERS ARE IN DEMAND

What is Duradek™?

Duradek is the leader in the vinyl decking industry. Duradek provides waterproof surfaces for sun decks, balconies, patios and more. It is a walkable roof membrane approved to use over living space such as roof decks and rooftop patios. There are 5 million square feet of Duradek installed every year and Duradek is only available through a trained, authorized installer.

Our superior products, excellent technical training, and strong marketing support keep Duradek the leading brand in its category - but it is the skills of our quality authorized Installers that bring the benefits of Duradek to the homes and buildings they are designed to protect. Our authorized Dealers need to grow their Installer teams to keep up with demand from coast to coast.

IDEAL EXPERIENCE:

The unique attributes of Duradek's product lines are well suited for professionals with backgrounds in:

- Floor Laying
- Roofing
- General Construction
- And of course, Decking
