

For Immediate Release

## 40 Years of Duradek & Decades of Deck Love

Surrey, BC, January 29, 2014 - [Duradek™](#), the original vinyl deck waterproofing membrane reaches its 40th spring and we are proud to have spent the last 4 decades providing waterproof protection for your home. We know you love your deck and this is a low-maintenance relationship you can enjoy year after year with Duradek.

A Roofing Approved, Walkable Waterproof Membrane and so much more...

### Duradek is a Complete Waterproofing System.

With all components for successful installation researched and proven to be compatible with Duradek vinyl membranes. Adhesives - PVC Coated Drain Accessories - Perimeter Treatments **Plus**—the performance you can count on!

Manufactured by the same supplier for 40 years and installed by trained applicators you can trust.

### Duradek's NEW Ultra Cork Color— Graphite

Duradek Ultra Cork emulates a natural looking cork pattern for a look that suggests subtle, comfortable luxury and was selected as one of the Best 101 New Products in 2013.

#### Available in 4 Attractive Shades

- Ultra Cork Natural
- Ultra Cork Macchiato
- Ultra Cork Espresso
- Ultra Cork Graphite \*New\*

### Panorama Post Topless Glass Railing System

Durarail's powder-coated **Panorama Post** topless glass railing system provides a spectacular look on your deck that allows you to enjoy a completely unobstructed view **AND** allows maximum versatility with its ability to 'bend' around corners with a 60° angle variance in each post.

### HGTVs Income Property Called on Duradek

When a damaging deck leak over living space almost spelled certain disaster for the renovation plans in season 8 - episode 8, Duradek was able to save the day and exceed their expectations by providing Tiledek...the perfect solution for waterproofing roof decks surfaced with tiles or pavers.
