

## 45 Years Later, Duradek™ Meets Top Current Architectural Design Trends

Duradek is at AIA '19 in Las Vegas June 6-7, 2019 at booth #7541 Showcasing Designer Roof Deck Solutions with a Newly Extended Warranty

Surrey, BC, May 30, 2019: Duradek™, the original vinyl decking membrane is in its 45<sup>th</sup> year of business and announcing a longer warranty. It is a testament of a brilliantly conceived product that nearly 5 decades later very little has change in its manufacture.

**Meets Top Design Trends:** Duradek helps meet current architectural design trends in residential outdoor living space.

**Industry's Best Warranty:** There's a lot of performance history with over 150 million square feet of vinyl waterproof deck surfaces installed.

After more than 4 complete product warranty lifecycles, Duradek is so confident in its waterproof performance that today they are announcing an increase to the duration of the 'Ultra' 60 mil membrane waterproofing warranty terms from 10 to 15 years. Duradek has best warranty in the industry that goes beyond just the length of the warranty in years. The actual coverage offers REAL protection to the building owner with terms that make sense.

**Proven Installation Techniques:** There has been very little change in the manufacture of Duradek PVC membranes since its inception. However, Duradek is committed to ongoing testing, quality control and performance evaluation. Duradek has mastered vinyl membrane installation techniques over the years and is proud to protect building owners by allowing only trained and authorized applicators to install Duradek.

**Industry Leaders Who Care:** A brand so recognized as the leader in its niche industry, the name Duradek™ is often used synonymously with 'vinyl decking'. Duradek is a family owned and operated business that genuinely cares about the families who are the end users of their products. They take their waterproofing responsibilities seriously, but also have a little bit of fun along the way.
